For over 80 years, Shriners Hospitals for Children have provided some of the best medical care in the world to more than 700,000 children with orthopedic problems, severe burns and spinal cord injuries. Founded in 1922, and today supported by the members of the international Shrine fraternity, this network of pediatric specialty hospitals is located across the U.S., Canada and Mexico.

Supported entirely by private donations, all care is provided free of charge.
